Allocated Parking for Seaspray Apartments

- Allocated parking for the apartments can be accessed by taking the road on the right next to the public car park (Sandy Road) and then the next left into the allocated parking spaces which are clearly marked with the apartment numbers in each bay.
- You will need a parking permit which will be in your apartment on arrival.
- NB. Should someone be parked in your allocated space you are entitled to park in any other bay provided you have your parking permit clearly displayed.

Please note that the main car park in Porthtowan is pay and display and that your parking permit only allows you to park in your allocated bay in Sandy Road and not in the main car park.
